In the Office action, various issues and questions are raised concerning the description of the variety. By the amendments in the accompanying Substitute Specification, Applicant has made a bona fide effort to address all issues and questions.

Applicant has also submitted substitute drawings as requested by the Examiner.

With respect to the request for information under 37 C.F.R. §1.105, Applicant notes that a Canadian PBR application for this variety was filed on March 29, 2004, Application No. 04-4154. A copy of the Canadian PBR Office's Gazette from the website showing this is attached.

In addition, copies of catalogues for sales of this variety have been previously provided with the Information Disclosure Statement, including Flower & Green the newest catalogue 2004, Suntory Flowers Ltd., and the 2004 Suntory collection, Jackson & Perkins Wholesale, Inc. Copies of these are attached below. Applicant notes that the trade name of this variety is 'Summer Splash Patio Light Blue'. This variety has been sold in the United States beginning on April 5, 2003 and in Canada beginning on April 5, 2004. It has not been available in other countries.

Finally, Applicant notes that an Information Disclosure Statement filed on March 31, 2004, has not been acknowledged. A copy of this Information Disclosure Statement is attached. Applicant respectfully requests the Examiner initial and return the PTO Form PTO/SB/08A/B, acknowledging receipt. A Supplemental Information Disclosure Statement filed on August 12, 2004, has been acknowledged but it appears that not all of the references were received by the Examiner.
